

V. Reggie Edgerton, Ph.D. Symposium

Our friend and colleague Dr. Reggie Edgerton has published ~500 papers over the course of his career on a variety of topics including muscle fiber types, muscle design & plasticity and spinal cord injury & rehabilitation — to name a few.

Join us in celebrating our esteemed colleague on October 18th from 12 PM to 5 PM at the Shirley Ryan AbilityLab. The afternoon will be filled with presentations from several Keynote speakers and Dr. Edgerton himself, followed by a complimentary happy hour!

When: October 18th, 2019

Where: Shirley Ryan AbilityLab

355 E. Erie Street
Chicago, IL 60611

Time: 12:00PM to 5:00PM
followed by happy hour.
