

Let's Get Loud!

2020 Pediatric Speech Summer Camp

Led by our pediatric speech-language pathologists, Let's Get Loud camp focuses on improving speech intelligibility in children who have impaired respiration, phonation and/or articulation as a result of cerebral palsy, traumatic brain injury, stroke or other diagnoses.

This specially-designed, therapeutic camp program utilizes amplitude-based principles, which have been shown to improve overall speech intelligibility.

A physician referral/prescription is required to participate in the camp.

Monday–Thursday

June 22–July 9

11am–12:30 pm

All sessions are held at:

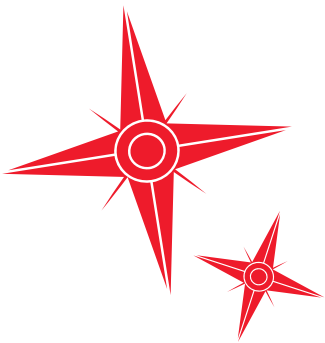

Shirley Ryan AbilityLab

355 East Erie Street

Chicago, IL 60611

**To sign up, contact us
at 312.238.1139 or
pedsamps@sralab.org**
