

With the holidays approaching and COVID-19 cases rising exponentially, the safety of our patients and staff remains our top priority. We encourage our community to re-commit to safe practices, wearing masks, social distancing and handwashing regularly.

We also ask you to reschedule your appointment by at least 14 days following:

- Travel to states classified as orange or red by Chicago's Emergency Travel Order (which is updated every two weeks). Note that patients who live in neighboring states are exempted from this requirement and may keep their appointments.
- Indoor, unmasked gatherings including more than six people who live outside of your household.
- Any signs of illness, or a suspected or known exposure to COVID-19.

Thank you for your partnership!
