Zoom Book Club

A Long Petal of the Sea

by Isabelle Allende

A Long Petal of the Sea is a new piece of historical fiction that spans decades. *A Long Petal of the Sea* begins during the Spanish Civil War as refugees flee Spain. Two young people travel to Chile. Cultures clash as they try to find their way in a new country.

Come join us. We will learn about this time period and read about survival, joy and renewal.

One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende's] long career."

—*The New York Times Book Review*

Zoom Conversation Group

Come join the internet-based conversation!
See and hear from others who have aphasia - from the comfort of your own home.

This is an opportunity to converse about anything you want – what's happening in the world, politics, entertainment, living with aphasia, your daily and weekly activities – anything goes! Share with others who have aphasia in a supportive environment.
