APHASIA COMMUNITY GROUP DESCRIPTIONS

FOCUS ON FILM
featuring HISTORY MAKERS
BIOGRAPHICAL FILMS (BIO PICS)

Explore Biographical Films featuring people who changed history including Aretha Franklin, Harvey Milk, King George VI and Ruth Bader Ginsberg.

We will explore the history around the people, places and time periods featured in each film.

Watch the film during the week. Then, on Thursday, discuss the featured historical figures, the film about their lives and how they impacted the world.

Share your thoughts and get the views of others, as we talk about these films. Materials and homework will be provided.
