

Clear Communicators

2022 Pediatric Speech Summer Camp

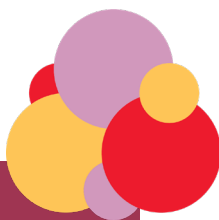

Led by one of our speech language pathologists, Clear Communicators is an intensive group for children aged 4-9 with severe speech sound disorders such as Childhood Apraxia of Speech and Phonological disorder. This group will meet four times per week, for four weeks.

Participants will practice functional words from an individualized list to work in the context of principals of motor learning to maximize carry over outside of group. Prosody, intonation and inflection will also be addressed across speaking contexts. This group will involve socialization, language skills and movement.

Monday–Thursday
July 18–August 11
1:30–3 pm (ages 4–9)
355 East Erie, 18th Floor

Participants must have:

- A physician referral/order
- Clear face masks
- An insurance policy that will cover group therapy
