Born A Crime Stories from a South African Childhood
by Trevor Noah

Born a Crime is the true story of Trevor Noah, comedian and former host of the Daily Show. Trevor Noah shares his experiences. Trevor was a bi-racial child in South Africa, during apartheid. His parents' interracial relationship and his birth were considered crimes in apartheid South Africa.

Trevor was a mischievous boy. His mother was both unique and fearless. Trevor's mother was determined to save her son from a cycle of poverty, lack of education, violence, and abuse.

Trevor sheds light on both his life and the culture and politics in South Africa, with both insight and humor.
