CONTROL SCALES

	<u>Now</u>	<u>Change</u>
Type A Behavior	0	0
Vanity	0	0
Frugality	0	0
Manipulativeness	0	0
Mean	0.00	0.00

‡Acquired Personality Disturbance requires a significant increase (Change ≥ 2) that results in some degree of disturbance (Now ≥ 4). Dimensions are as defined in Barrash et al., Cortex, 2022. *A dimension is considered significantly disturbed if two or more of the core characteristics meet the definition for acquired personality disturbance. ¶Hypoemotional Disturbance is not diagnosed if Depression NOW rating ≥ 5 or Change ≥ 2.
